Learn. Create. Innovate.

Students come to Carnegie Mellon to learn, create and innovate with the very best. They leave with the passion, connections, credentials and lifelong friends who will help them change the world. The main campus of Carnegie Mellon is located in Pittsburgh, USA, and has a tradition of creating work that matters. A private research university, Carnegie Mellon stands among the world’s most renowned educational institutions.

CMU has 13,000 students
110,000 alumni globally

CMU-Q opened its doors in 2004

CMU has 19 Nobel Laureates, 12 Turing Award winners

Identical graduation requirements as our main campus

Small campus, 7:1 student-to-professor ratio

About 400 students

12 graduating classes

847 alumni

Anatomy

Biological Sciences

Information Systems

Business Administration

Computational Biology

Computer Science

Science

Management

Information Systems
